## AT RECESS

Hey you, come here! What are you doing?

I'm playing. Can't you see?

Don't talk back to me! I'm your teacher

Can't I play here?

No, you can't but you can be there without running

But it's recess! I need to burn energy!

Running here can cause accidents

But those boys from 8<sup>th</sup> grade are running too

I'll handle it. Hey you guys, come here!
