

Cycle 17. KEYNOTE 1
Scripter

THE CANADIAN ALLIANCE

The school is small but cozy

There are only 4 rooms in it

I like it because the teachers are very good

I'm studying French now

My classes are on Saturday because I can't on weekdays

I'm going to study Portuguese next year

I like languages and I learn fast

I think the courses start on January 17th

It is perfect because I start school that Monday after the 17th
