THE NAUGHTY BOY

Did I miss something? Everybody seems astonished
You didn't come to class yesterday so you missed it
Missed what? I'm curious now. Tell me
Well, you know Larry. He's lazy and he likes to talk back
Yesterday, the math teacher told him off because he was misbehaving
And as usual he talked back to her and yelled at her too
This made her very angry and took him to the principal's office
They're talking about him expelling him
I know he's not an angel but they shouldn't expel him
Just suspend him for a couple of days
