

CYCLE 23. KEYNOTE 1
Scripter

HOW OFTEN....

How often do you check your email?

I hardly ever do. What about you?

Well, I seldom do it. But my sister is different

Oh yeah? How often does she do it?

Almost every day. She works, you know.

Something that I always check is my facebook

Me too. Though I seldom change my status

You're right; some dudes change it every hour

That's crazy, I know
