## FROM OVERSEAS

Hello class, this is Dara. She comes from Switzerland

Her name means “beautiful” in African

She speaks German and French

In Switzerland they speak mainly three languages

The Swiss from the south are tanned with brown hair and brown eyes

In the north, they are blond and blue-eyed

But let's not concentrate on that now

So, say hi to her and I hope you treat her nicely

Now, let's begin with the class.
