

CYCLE 8. KEYNOTE 1
Scripter

WHAT A MESS!

We were at a classmate's home

He's really messy

His shoes were on his bed

His school books were next to the door, but on the floor

He couldn't find a sweater because it was under his bed

Under his pillow there was some leftover cake

Can you believe it?

He also had lost his pens

They were behind the night table

I don't want to go back there
