

CYCLE 12. KEYNOTE 2
Scripter

THE KING OF POP

M. J. was the greatest pop singer ever

He could have thousands and thousands of people in his concerts

His songs were of different kinds:

He could sing R&B, ballads and some rock-like songs

There were some problems in his life, though

He couldn't avoid being investigated by the police

There were accusations of alleged molestation

But these charges were never proven

Anyhow, even today he has new fans everyday
