IT'S STILL A MISTERY

Hey, what did you guys do yesterday?

Not much. We just went to the mall and had something to eat

We, on the contrary, had an exciting day!!

Oh did you? So, what was so great about it?

Well, to start with, we went paragliding

Then we went paintballing and at night we had a BBQ at my aunt's

Wow, that was quite a day

It sure was!!
