### WHO WILL IT BE?

Who do you think is going to arrive first: John or Jane?

Uh, that's a tough one. They're both latecomers

I guess it will be Jane. She's always getting late everywhere

Well, on the other hand, I think it will be John

What makes you think that?

He's my brother, remember? I know him very well.

Well, but it's 6.15 and they aren't here yet. Oh, I just got texted

Who is it? What does it say?

Oh-oh! Look: "*The meeting was at 5.30 where are you?*" John and Jane
