## THERE'S STILL TIME

How much are the apples?

I'm sorry ma'am, but we ran out of them

What a pity. How long will it take you to have some more?

Maybe later today. What do you need them for?

Well, I'm having some guests today and

I was planning to surprise them with an apple pie made by me

What time will they be arriving?

At 4.30 or 5.00

Let me see if I can get them before 1.00. It's only 9.30 am

Thanks. I'll appreciate it
