

CYCLE 22. KEYNOTE 2
Scripter

ANCIENT CIVILIZATIONS

Before 1582, the Julian calendar ruled

Some cultures lived in tepees rather than houses

They counted time using a lunar calendar

Many were nomad communities

Some were conquerors, but others were just settlers

They slept on the floor, but some did it in hammocks

Some communities were hunters and others grew vegetables

Some were powerful before Christianity arrived

There were many native languages
