AN OUTDOOR DAY

There's going to be an outdoor day at school next week

It's for us to relax after the mid-term tests

It will be sunny so we'll go to the beach

But there is another option

Maybe, we'll go hiking instead

I'd rather we went to the beach

Some classmates tell me they won't go hiking

I don't know where we will go

Anyway, it will be a day of NO school: Hurrah!
