

CYCLE 8. KEYNOTE 2
Scripter

YOU CAN'T MISS IT!

We need to get some groceries for tonight, hurry up!

I know but you don't know where the supermarket is

You're right. We're new in this town

Let's ask someone

Excuse me, sir; do you know where the supermarket is?

Yes, let me think

Just go straight ahead for three blocks then take the right

And when you see a tall, tall building you're there

You can't miss it

Thank you sir. You're very kind
