

WEEK 1. KEYNOTE 3
Scripter

IT USED TO BE MY PLAYGROUND

Now I'm in Eight Grade

I remember when I was a child

I used to go to school with my mother

Now I come by bus or by my self

My teachers used to help me to do almost everything

Now I have to do everything by myself

I can see the backyard of the school

It used to be my childhood playground

I used to pass good times there with my classmates
