ASKING OUT

Hi Betty, listen, I've been meaning to ask you...

Yes, tell me

Do you feel like going to the movies one of these days?

I don't know.... Actually movies are not my thing

Ok then. How about having some ice cream together?

Gee, I'm kind of trying to lose some weight

In that case let's just listen to music at my place some day

I don't like music

Are you playing hard-to-get?

yes
