

CYCLE 13. KEYNOTE 3
Scripter

ALWAYS IN TOUCH

Thank God I was born in this day and age

What do you mean?

I mean we're not in the stone age

Oh, like when our parents were our age?

Exactly. For instance, I love facebook, messenger and my blackberry

Those things are cool, I give you that, but...

But what? Don't be a bore like my dad

It's true we are always in touch with everybody but...

We are kind of addicted to that stuff

Well, you've got a point there
