## BEST DAY EVER

You seem very happy. Tell me why

I think today is the best day ever

Why? What did you do?

I just checked the list of the admitted ones and, guess what? I'm one of them

You are??? Congratulations. Have you told anyone yet?

No, just you because I found out a couple of minutes ago

So, how are you going to celebrate?

I don't know I've never felt this happy

So you are officially a cheerleader now
