

CYCLE 23. KEYNOTE 3  
Scripter

### **AGREEING-DISAGREEING**

Math is better than biology

I disagree with you. Math is boring, but biology is not

But in biology you have to analyze and do research

So do you in math

I disagree completely. Math is an exact science, but biology....

Biology is exciting. It's about discovering, but math is about solving equations

That's the good thing: you know where you're going

So do you in biology only that takes longer. Besides...

Besides nothing! No more math or biology. We're having scripter test tomorrow

I agree. So let's start studying, the teacher is very strict
