### I WILL IF YOU DO

There will be a great concert next week?

Is that true? Who will be playing? Do you know?

I think the winners of the last *WHO'S GOT TALENT?* will

You mean those guys with amazing songs and performances?

Right! The same ones. Have you heard them play?

Yes, once, but I would love to see them live

Well, if you go to the concert, I will too

First, let me ask my parents if they let me

Sounds like a plan. I will wait for your answer
