

## I FEEL DIFFERENT

Today is my birthday!

I remember when I was a child

I used to play football in the streets with my friends

And I also used to ride my bike for hours

Things have changed! I'm not the same

I don't go by bike because I hate sweating!

Even more if I'm going with my friends

My friends are really special for me

I go with them everywhere

Specially if we can go to the mall and meet more friends
