GROUNDED

I hate it when I'm grounded!

Why? What did you do?

I went to a concert on my parents' back

You did? How did they find out?

My cute little brother and his big mouth

How long are you going to be grounded?

For three weeks. And after that I have a curfew

Oops. Your parents are really mad

You think?? My mother barely speaks to me

I guess we shouldn't lie to them
