APOLOGIES

You seem mad. What's wrong?

Yeah, I don't want to talk to you right now!!!

Why? What did I do wrong?

You stood me up the other day

When, I don't remember that

We were supposed to meet to go to the concert

But the concert was called off, remember?

Was it? I never knew

Yes, I even texted you to let you know

In that case I'm sorry for being mad at you
