MAD

I'm so mad! I feel like hitting everybody

Hey, take it easy will you. I'm not a punching bag. What happened?

That (beep) teacher didn't let me finish my test and kicked me out

He did? But, on what grounds?

Supposedly, I was cheating because I was talking to someone during the test

Were you?

No, I wasn't. they just asked me for an eraser. That's it

Well, I think you should set things right with that teacher

Whatever!
