Ok tell me, what was it like?

Well, it was amazing; I had never felt something like this before!

What do you mean?

Well, I had tried doing it before but I never did until last weekend

Yes, another is the fact that I wasn't by myself.

Right. And the other one is that you'd put a lot of thought into it

It's true. Next time I will let you know so you go with me

Sounds like a plan
