

CYCLE 25. KEYNOTE 4  
Scripter

### WHO WOULD YOU BE?

If you were asked to be somebody else for one day, who would you be?

If I were asked that, I think I would be someone rich and famous

Like Hillary Clinton, for example?

Hillary who? I've never heard of her. I was thinking of someone in the showbiz

I know, I know. Someone like Lady Gaga?

Maybe, or someone like Madonna. But they're not pretty

Then, would you prefer Britney spears?

Yeah, if I were her, I'd have the same lifestyle

And all her insanity too?

Well, I would leave that part out
