JUST THINKING

Why are you so thoughtful?

It's nothing. It's just one of those days that you wake up thinking

What is it you're thinking about?

Well, what would you do if you were an orphan for one day?

You mean without parents, brothers and sisters?

Exactly. What would you do if that happened to you?

...but then I would feel kind of lonely because it's your family, you know

I think I wouldn't like to be without my family; despite everything, I love them
