

I WAS ABLE TO DO IT

My sister invited me to go paragliding.

At first I thought: "I won't be able to do it."

I didn't think I was good at it.

Luckily, the instructor really knew how to do his job.

He told me not to be afraid of it.

We started flying and I knew I had made it.

The view from up there was amazing. Everything looked so small.

It was so cool I didn't want to go back to the ground.

When we did I told my sister: "what about doing it again?"

I think we're doing it again this coming weekend.
