LIKES AND DISLIKES

Hey, would you mind telling me when the next holiday is?

Not at all, June 24th. Got any plans already?

Well, my family and I are planning to go camping

Sounds great! Do you enjoy camping?

At first I didn't, but now I do. What about you? What do you like to do?

Well, I always avoid going camping because of the bugs, but...

Some friends of mine love to do it, so...

You should try getting familiar with nature and stuff like that

I guess you're right. I don't want to be a bore
