

CYCLE 18. KEYNOTE 5
Scripter

FOREIGNER

This is one of the most successful bands ever

It was formed in New York by Mick Jones and other five musicians

Their first big hit was *COLD AS ICE*

On their first tour they just had a 10-song repertoire

Lou Gramm was the band's lead singer

In their big hit *I WANT TO KNOW WHAT LOVE IS* they used a gospel church choir

By 1989 Gramm decided to pursue a solo career

But this didn't work out for him

In 1999 they went on tour along with JOURNEY which was a big success
