

WEEK 2. KEYNOTE 5
Scripter

IT WAS NOTHING BUT A DREAM

They say you saved the new student!

Yes, it's true. I did it!

Let me know about it, how was it?

Well, I was walking down the corridor

The new student fell down close to the stairway

I run to save her and tried not to let her fall down

She stood up and, said "thank you", and kissed me

Come on! You exaggerate telling about a kiss

Yes, I wish she kissed me! It was nothing but a dream

I knew. She's too sweet to do that!
