UNLUCKY IN LOVE

Why are you like that? What's wrong?

Some sudden things are happening

Like what? Are you suddenly moving out of town?

It's not that. Luckily I'm still living here, but, I'm not so lucky in love affairs

That's terrible. I'm terribly sorry to hear that. Do you want to talk about it?

Well, the thing is that the love of my life has abandoned me

That's sad. How did that happen?

Well, sadly he's marrying another woman. Can you believe it?

What can I say? Maybe just that life goes on

Whatever, but I hate that so called Angelina Jolie
