WHAT IF...?

Hey, you've got any plans for the weekend?

Not yet, but you seem you do, am I right?

Yes you are. What would you tell me if I asked to go away for the weekend?

Sounds like fun. Where to?

I was thinking of Santa Marta or Barranquilla

What? Are you out of your mind? My parents would kill me if they found out

What if they don't? If you went with me you'd have a lot of fun

But what if they do? My parents and I aren't in the best terms right now

Come on Paul, you're such a girl! Just say yes

All right then. Let's do it, but you'll have to deal with my parents
