## TWO FUNNY GUYS

What do you think of Jim Carrey's movies?

They're funny, but I think he overacts

I agree with you. On the other hand, Ben Stiller's are hilarious

Right, just think of *MEET THE PARENTS*! I laughed like crazy

Me too. By the way, Jim Carrey in *THE CABLE GUY* was awful.

True. Sometimes his movies are kind of silly

Like *THE MASK*? That one was really ridiculous, though I liked it

Anyway, I prefer Ben Stiller's films to those of Jim Carrey's

I'm thrilled about the former ones, and excited about the latter ones
