THINKING BACK

It's been a good year, don't you think?

Mmm, I'm not so sure about it.

Is there anything you wish that hadn't happened?

Yes, if I hadn't been so lazy, I would've learned more

Right, especially in your English class

C'mon, knock it off, will you? What about you? What would you have changed?

I wouldn't have dated that guy if I'd known what he was like

I wish you hadn't dated him either. He's such a jerk

I would've rather gone out with your brother. He's so cute!!
