

IT WAS MADE BY ME MYSELF

1. Last summer our house was painted by me
2. It was dirty because of the last hurricane
3. First, the exterior was washed using warm water and a mild detergent
4. Then all the chinks and pores in the walls were sealed with putty
5. After the putty had had a chance to dry, the exterior could be painted
6. A latex paint was used because it is easy to apply
7. A whole week was needed to finish this part of the job
8. A color was used that was very close to the original color
9. In the second week the job was finished
10. A great deal of satisfaction was felt by me
11. The task was made only by me
12. When everything was done
13. I was given a kiss by my wife. I'm so happy now
