

Cycle 24. Sunrise 3  
Scripter

## **THE END IS COMING**

The end of the school year is coming

I'm so excited

I'm sleeping late everyday

And I'm playing video games every day

I'm not doing any homework (thank God)

My family is going away for a week

And, of course, I'm going with them

Christmas is coming too

So I'm getting lots of presents, hurrah!
