Scripter

LET'S.....

I'm bored. It's Friday and

I still don't have any plans for the weekend

How about going to the mall?

What for? Movies again?

Yeah, why not?

I'm tired of that. Let's just do another thing

Ok then. Let's play baseball

What? No, I don't want to do play anything.

You're just lazy. That's all.

No. Let's listen to music!

All right. Sounds good
