

WEEK 1. Sunrise 5  
Scripter

## **MY PARENTS ARE MY HEROES**

My father plays with me every day

Last week we spent 3 hours at the park together

We played soccer with some friends

We ate some ice-cream

And he fixed my bicycle

He is very intelligent and knows how to repair bikes

My mother came to the mall with us

And she taught me how to eat fish safely

That's why they are my heroes
