KIND OF LOST

Excuse me, may I ask you something?

Sure, go ahead

I think I'm lost and I'm looking for a place

What place madam?

The Arts Museum. I thought it was on the east

No, you're wrong. That's the Metropolitan Museum

I knew it. So where's the Arts Museum?

It's on the southwest side of the city

Thanks a lot. Now I know how to get there
