

CYCLE 26. Sunrise 5  
Scripter

## **TENNIS**

It is played on a court, not a field

You need a racket and a ball

It can be played single or double

There's a net in the middle of the court

The goal is to pass the ball over the net

So that the other player doesn't hit it

The game is divided in sets

Each set is divided in games

You have to win two sets out of three or...

Three out of 5, depending on the tournament
