

WEEK 4. Sunrise 5
Scripter

IT WASN'T ME!

Well, what were you doing by lunch time?

I just went to my room

And, what did you do there?

Nothing, I watched TV

Ah! Eating the dessert you were hiding from your sister?

No! It wasn't me!

The evidence is against you!

She just gave me the piece of cake. That's it!

Now I understand!
